in this profound look at the scripture charles capps reveals how to release god s goodness in your own life he clearly outlines that

speaking the truth of god s word even when times are tough works together with our faith to bring victory every time confessing what god said in his word out of a heart full of faith will bring god s supernatural intervention the balance of faith and confession working together is essential for living the abundant life that god has promised

bill johnson joyce meyer heidi baker the fame of these names is evidence enough that though the controversies are less intense the charismatic movement is alive and well today it continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas these five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the spirit inner healing shepherding word of faith spiritual warfare and signs and wonders plenty of studies have been written by pentecostal scholars about pentecostal theology but these tend to group the very distinct approaches of charismatics together with classical pentecostals bold faith aims to analyze and evaluate the ways in which practitioners within independent charismatic networks especially in their anglo american expressions have responded to the challenges of secular modernity

name it and claim it just have faith give and you will get catchphrases like this have convinced many christians that trusting in god will bring health and wealth but the gospel does not promise prosperity without pain or salvation without sanctification femi adeleye draws on his wide ranging experience as he examines the appeal and peril of this new gospel of prosperity that has made deep inroads in africa as well as in the west

this is an interdisciplinary collection of previously unpublished papers on the controversial relationship between religious behavior and mental health schumaker has assembled a distinguished international roster of contributors sociologists and anthropologists as well as psychiatrists and psychologists of religion representing a wide range of opinions concerning the mental health implications of religious belief and practice taken together the papers provide a comprehensive overview of theory and research in the field included are papers

on the interaction of religion and self esteem life meaning and well being sexual and marital adjustment anxiety depression suicide psychoticism rationality self actualization and various patterns of anti social behavior religion is also dealt with in relation to mental health of women the elderly and children contributions dealing with mental health in non western religious groups add an important cross cultural dimension to the volume

the modern scholarly verdict about the confessions has been nothing short of sensational this work documents the story of 20th century criticism and praise for augustine s classic an ancient text that has grown in stature like few other western classics disciplines such as psychology literature and religion plus many others all claim it as their own the first chapter of this study puts modern confessions scholarship into historical context the other chapters are devoted to autobiographical studies literary influences philosophical interpretations psychology spirituality and theological themes of interest to scholars and students in many disciplines at the end of the 19th century a new critical spirit of inquiry and scholarship helped to change how we think about religious texts the new criticism uncovered problems with augustine s confessions he may have dramatized events concerning his conversion to christianity for example yet this work has proved to be relevant in the 20th century like few other ancient texts that such variegated attention has been devoted to it is testimony to augustine s enduring legacy his stature in western civilization is of the first order comparable to homer and virgil plato and aristotle mooses and paul

mooses details ways to reduce depression and eradicate sickness poverty low self esteem and other conditions by applying biblical principles practical life

dr norman l geisler has been called the father of evangelical christian philosophy he has written more than one hundred books and taught at universities and top seminaries for some fifty six years he was the first president of the evangelical philosophical society and the founder and first president of the international society of christian apologetics he has spoken or debated in more than two dozen

countries and held pastoral pulpit ministries in four states many view him as a cross between thomas aquinas and billy graham no one has done more to communicate the modern challenges of the faith to the average christian to the church and to the academy this volume offers creative and constructive essays from twenty three contributors all notable in their own right who preserve and propagate dr geisler s ideas and express appreciation for his influence those who know him best say he is true faithful and blessed by god

the faith confessions written in this book have their foundation in the scriptures study notes are given after each confession for reference and meditation this book unveils the benefits and power that occur when faith confessions are made christian

a balanced biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings

a revolution has begun some have hailed this revolution as a much needed purification of the church others say that it well lead to a major schism in christianity since the release of the bestselling the seduction of christianity christians everywhere have come face to face with this undeniable truth we must be certain that what we believe is firmly based upon the teaching of god s word the only real remedy for deception and apostasy is a return to a true biblical foundation for christian living hunt s book sounds the call for a return to the sacrificial life that christ required and the abundant life he offers

this christian artist shares from her personal repertoire of faith confessions and reveals deep personal insight designed to inspire and motivate beleivers on their everyday journey to operate in the kind of faith that opens doors

god s word will motivate you to live a positive and successful life it will bring you success in every part of your life spiritual physical financial and social

in a psychobiographical investigation of one of christianity s most enduring figures dixon explores the psychological and cultural forces that shaped augustine s life and how those same forces impact faith in contemporary context
